Be A Blessing Groups Begin This Week!

We are encouraging every person who considers Grace their church to spend six weeks in groups learning what it means to be a blessing to our neighbors and community. If you already have a group then make sure to pick up a book today in the main foyer and attend your first meeting this week. If you do not have a group yet we want to help you find one today! We will give more details during the service or you can begin by going to gracearlington.com/beablessing!

Kids Hope USA

This is the last week you can sign up to mentor a student at Foster Elementary this year. It only takes one hour a week to make a positive impact. If you would like to be a mentor, contact Jonathan at jonathan@gracearlington.com today to get the details of how to join the team.

Pray for Neighbors Prayer Meeting

We have a new weekly prayer meeting in the GHOP beginning this Wednesday at 7:00 am led by Pastor Jonathan. We will focus on praying for the Be A Blessing groups and the neighbors we hope to impact for the six weeks of our fall series. Come join us!

Tabernacle Album Online Re-Release

To make it easier to find, we have re-released the GraceGrown Music Tabernacle album on all streaming sites except Apple Music (they wouldn't let us change it). If you're using Spotify, Amazon, or the host of other options, you can now find it by searching GraceGrown Music or the name of the singer of each song. So if you're wondering where Tabernacle went, it's now back on all streaming sites. Please add it back into your playlists and "liked" songs or albums.
