Special Needs Parents Support Group

Are you a special needs parent or caregiver? We have a support group for you where we remind you of the hope we can find in Jesus no matter the circumstances. Please sign up on the website and register for childcare if you need it.

Grace is Now on Youtube!

In addition to our Vimeo channel and the gracearlington.com/live page, we launched a new Youtube channel this week. This means if you are unable to attend on a Sunday morning and want to watch our service online using Youtube on your smart TV or other streaming device, you can do that. Simply search for our channel called "Grace Community Church in Arlington, Tx" and click subscribe.

YouVersion Sermon Notes

Do you have the YouVersion Bible App? This is the most popular Bible app in the world and is free to download. Beginning today you can follow along and take notes during the sermon within the app. Here is how to do it:

1. Open the Bible app.
2. Click on More -> Events -> Choose our church as the live event for today.
3. Follow along with Gary and make personal notes of application.

Visit gracearlington.com/sermons to view previous messages.
