God's Grand Story: King Josiah and Revival by Gary Hutchison

Turkey/Syria Earthquake Relief

If you'd like to donate to relief efforts we are coordinating with our partners in Turkey, you can do so by writing a check to PAC (not GCC) and putting it in the offering boxes or mailing it to the church office, or you can go to partnersacrosscultures.org/donate and donate online (mention Turkey/Syria earthquake relief). Thank you for your generosity over and above your tithe!

What's Happening at Grace

Madagascar Pastors' Conference

Pastor Gary and Hosea will be holding a conference in Madagascar for over 800 pastors and church leaders, from March 1st–5th. Please be praying every day leading up to, and throughout, this strategic time! Pray that God brings real revival and spiritual awakening to this country and that He empowers Gary and Hosea to minister effectively. Pray for health, safety, and spiritual vitality. Thank you!

Livestream Team

Did you know we broadcast our services every morning on Facebook and Youtube for people who cannot be here in person? We are looking for a few more people to serve as moderators on Sunday morning in the sound booth connecting with our online audience. If you are interested, contact Jonathan.
