## Special Needs Easter Egg Hunt

Traditional easter egg hunts can be hard for special needs individuals to navigate and there are not many options for places to go that will accommodate special needs families in our metroplex. So, we are spreading hope and encouragement to the special needs families in our area with a special easter egg hunt just for them.

Our Special Needs Easter Egg Hunt will be held in the gym in order to be wheelchair accessible, with small groups getting to maneuver through our egg hunt garden along with fun carnival games to play while they wait.

And we need YOUR help. Can you volunteer to help with a game, refill easter baskets, hand out water or popcorn, and welcome families?

Please fill out the tear-off if you can help and put it in one of the giving boxes around the room.
