Fall Series Begins Today!

Today is the beginning of our Fall Series where we are asking everyone in our church family to spend six weeks experiencing a study created right here at Grace. If you want to host, you can still sign up online today and we will get you everything you need! If you want to participate in a group and still haven't found one, come over right after the service to the Life Center gym and Pastor Jonathan will help you find one today!

Embrace Legacy

Young Dads! The manliest thing you can do is fight to be the father you always wanted or hoped to be! Join us on Thursday evenings here at the church, 6:30–8:00 pm, as we seek to support, encourage, and help you reach that goal! For more information, contact Chris Hill at chris.hill.contact@gmail.com or 904-524-2183.

Kids Hope USA

We have partnered with two schools for the fall: Morton and Foster Elementary, and they have asked our church for 30 mentors for students who need some individual encouragement and help this year. We currently only have 24 mentors signed up, so if you would like to help with one hour a week sign up today!

Navigating With Hope

We were scheduled to visit Innovation Institute this month but due to a wildfire on their property, they are unable to host us. So we are helping Innovation Institute clean up. This will be an adult-only event. Let's serve this amazing ministry that has served us and given our children so much enjoyment! Register at gracearlington.com/navigating to help.
